

Holiday Visitation

Information about visiting during holidays

Resident visitation at Kansas correctional facilities will be provided on the following four state holidays: Christmas Day, Memorial Day, Fourth of July and Thanksgiving Day. If either Christmas Day or the Fourth of July holiday falls on a Saturday or a Sunday, or other day where a facility has regularly scheduled visitation, the holiday will be incorporated within the regular visitation schedule and an additional visitation day will NOT be scheduled.

Resident visitation will NOT be provided on the following state holidays, unless the holiday falls on a Saturday or Sunday, or other day where the facility has regularly scheduled visitation: New Year's Day, Martin Luther King, Jr. Day, Labor Day, Veterans Day and the day after Thanksgiving.
